Children's Winter Vacation Program at Flanders

WOODBURY - Flanders Nature Center & Land Trust is offering a winter vacation adventure on Monday, January 19.

There will be one class from 1 . 4 PM for pre-school youngsters through 5th grade.

Our topic for Monday will be, ~~%~~Winter Adventure+.

Come out and beat the winter blahs! While on a hike children will view animal tracks and see where they lead. They will also learn how some animals survive the winter. Children will also build a bird feeder to help our feathered friends and learn other earth friendly ways to help animals survive the winter. There will also be stories, crafts and games.

A wonderful complement to a child's learning, this class will be an exciting outdoor adventure which will allow young people the opportunity to explore the natural world and help foster an understanding and connection with the environment.

Program fee for each class is \$17 for member and \$22 for nonmembers.

Registration and pre-payment are required. Those interested are asked to call 203-263-3711 ext. 10.

To find out more about the other programs and events at Flanders go to www.flandersnaturecenter.org.
