“HOME ENERGY SOLUTIONS: WATTS GOING ON IN WOODBURY”

**Second in a series of energy-related presentations sponsored by
Flanders Nature Center and the Woodbury Energy Commission**

(Woodbury, CT)----- Just in time for winter, the best solutions for home energy usage will be the focus of a presentation and discussion on December 8 from 6:30 to 8 PM at the Emergency Services Building, 25 Quassak Road in Woodbury. The session is co-sponsored by Flanders Nature Center & Land Trust, Woodbury and the Town of Woodbury’s Energy Committee.

Peter Callan, President and a founding member of Lantern Energy of North Haven, Connecticut and Vin Conti, Vice President of Operations and New Technologies at the firm will be the presenters. As its mission, Lantern Energy provides consumers with direction and answers, empowering them to make the right energy decisions for their home or business.

Also present at the session will be Rebecca Meyer, Senior Program Administrator, Connecticut Energy Efficiency Fund/Connecticut Light and Power. For five years, Ms. Meyer has managed energy efficiency education programs and outreach initiatives for the Connecticut Energy Efficiency Fund and CL&P.

The event is free and open to the public. Light refreshments will be served. For more information, call Flanders Nature Center & Land Trust at 203/263-3711.
