**Flanders Annual Pancake Breakfast**

WOODBURY . A New England tradition continues at Flanders with our annual all-you-can-eat pancake breakfast this Sunday, March 8, 2009 at the Woodbury Emergency Services Building on Quassuk Road in Woodbury.

The breakfast will be held from 8 AM to 1 PM and will consist of pancakes, sausage, fresh juice and hot beverages. The highlight of the breakfast, of course, will be authentic pure maple syrup. Everything will be prepared and served by Flanders staff and volunteers. This year we are very grateful to local businesses for donating supplies, especially New Morning Natural & Organic and several others.

The breakfast is \$7 for adults (12 & older) and \$5 for children (5 - 11); no charge for children 4 & under. Proceeds from the breakfast will help provide materials for the educational programs at Flanders. We hope that you will join us as we officially kick off our maple syrup season!
