Saturday "Junior Hiking Club" at Flanders

WOODBURY – The Junior Hiking Club, Flanders Nature Center & Land Trust's monthly program for budding environmentalists ages 5 to 10 will be held on Saturday, March 14 from 9:30 AM to 12:30 PM. The program is designed to allow children to get to know and appreciate the abundance of life found on this blue planet. Children will meet to discover local wildlife and habitats. Hiking, Native American storytelling, arts and crafts are all part of our green planet discoveries and fun! Parents are welcome to attend!

Flanders very own environmental youth group will begin its new season! Beginning biologists will inspect insects, reptiles, birds, amphibians, mammals and plants at Flanders as the seasons change. There will be a hike to explore and inspect the trails, stories to hear, and a nature themed art project.

Bring along a snack and dress for lots of outdoor activities.

The Fee is \$17 for members and \$22 for nonmembers. As space is limited to 10 students, registration and pre-payment by mail or in person are required.
