Flanders Nature Center & Land Trust Is Ready For Summer!

WOODBURY - Summer is an exciting and busy time of year for Flanders.

While walking the trails or sitting by one of the ponds, one can see nature in full bloom; or wander on over to our Community Garden to see gardeners growing vegetables and herbs. Of course, art, nature and farm programs for children ages 3 – 10 are among our most popular summer activities. These themes are encompassed by classes such as Amazing Art in Nature, Go Nuts about Plants!, Did Somebody say Komodo Dragon?, Nature Detectives and Young Biologists for our younger group and Pond Life, Animal Art, Good with Wood, Farm Life Series and much more! The classes will begin June 16th and run through August 22nd.

As a wonderful complement to a child's learning, these classes will be an exciting outdoor adventure which will allow young people the opportunity to explore the natural world and help foster an understanding and connection with the environment. Program fee for each class is 3-4 year olds Members \$85/ Nonmembers \$110 and 5-10 year olds Members \$100/Nonmembers \$125. Registration and pre-payment are required.

Those interested are asked to call 203-263-3711 ext. 10. To find out more about the other programs and events at Flanders go to www.flandersnaturecenter.org.
