FOR IMMEDIATE RELEASE

FELT SCULPTURE WORKSHOP At Flanders Nature Center & Land Trust

(Woodbury , CT)--- Learn the art of needle felting at a Felt Sculpture Workshop with instructor, Rachel Gerowe, on Friday, July 16 at 7 PM, at Flanders Nature Center & Land Trust.

Needle felting is an easy craft, in which a barbed needle is used to sculpt wool into anything imaginable. At the July 16 adult workshop, participants will learn how to make a “3-D” bear sculpture out of wool.

The cost is \$35 per class, which includes enough materials to make one bear in class and another at home. Participants can save \$5 if they bring their own needles and foam.

To register, call Flanders Nature Center & Land Trust at 203-263-3711, x 10
